**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

**III. Statement of Claim**

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. - C. What are the facts underlying your claim(s)? *(For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)*

It is detrimental to me and my family for a lawsuit to be filed by an out of State Attorney, Marc Elias and a private company, the Democratic National Committee in Washington D.C. to oppose the State of Georgia from passing laws to ensure an accurate vote count and to prevent illegal immigrants, dead people and others who are not bonafide citizens of the State of Georgia from voting in the upcoming National Election. The laws passed in Georgia will ensure that my vote and other citizens in the State of Georgia will not be diluted. As a Georgia Citizen and U.S. Air Force Veteran I am in agreement that the laws passed in Georgia regarding election integrity are lawful under the Constitution and that the State of Georgia has the right to govern on behalf of the Majority of Georgia Citizens without interference from outsiders and the Federal Government. My Belief: the Election was stolen from President Trump in 2020 and election integrity laws will minimize the possibility that the 2024 will be stolen again.

#### IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

If the Democratic and the RINO Republican Regime steals the 2024 election for themselves, My family could be persecuted, prosecuted, imprisoned or even exterminated. My family could be in imminent danger just for submitting this injunction.

---

#### V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Respectfully request \$100,000,000 if my family is forced to flee the USA as political dissidents if the Marxist/Communists take power. At present, the DOJ, FBI, CIA and most federal agencies are now weaponized to target Former President Trump and his supporters as domestic terrorist and I believe my family will be targeted for persecution, prosecution, imprisonment, and even death by the federal government if freedom does not ring in the 2024 election. Historical Reference: Many young Americans are naive and may not be aware of the dangers of a Marxist/Communist Government. When President Carter established the Department of Education in the 1970's, Most Institutions of Higher Learning have been indoctrinating our youth with a Marxist/Communist ideology and our young adults may not be aware that Dictators Joseph Stalin(Russia) and Mao Tse Tung(China) killed millions of their own citizens if they opposed their government. The USA is going the same way.
